

# EXPLORE WITHOUT LIMITS

**LAND CRUSIER AT35**

## AT35 MODIFICATION

The AT35 modification has been developed and proven over millions of miles in every terrain possible in thousands of examples. Originally developed in Iceland for use in icy and snow conditions it has subsequently been optimised for use in the deserts of Africa and the Middle East.

Arctic Trucks replace the original tyres with taller and wider 35" tyres which transform the mobility of the vehicle as the approach, departure, ramp-over and ground clearance are all improved.

Crucially also the larger tyre used at lower pressure reduces ground pressure which increases speed across rough terrain compared with the standard vehicle by enabling the vehicle to flow above the sand. The AT35 can be used as an every day vehicle in the town or city on business or with family, used at the weekend for trips to the desert or equally at home as an expedition vehicle.

Additional optional equipment can be added to the AT35 to increase storage, recovery, safety or comfort of the vehicle.

## AT35 SPECIFICATION

All AT modifications comes with 4 Wheels and Tyres, modification can only be carried out at Authorised AT workshop by AT trained Technicians, All parts/components removed are retained by Arctic Trucks including wheels , tyres and suspension.

## WHEELS AND TYRES

- Tyre fitting and balancing
- Wheel alignment
- BF Goodrich 315/70 R17 121R All-Terrain T/A KO2, 4 Units
- Arctic Trucks Wheels 17" x 10" 4 Units
- Wheel Nuts
- Spare tyre wrench
- Increased wheel off-set

## BODY AND APPEARANCE

- Arctic Trucks fender flares
- Body colour paint fender flares
- Moulded wheel housing Inner fender Arctic Trucks
- Installation fender flares

## SUSPENSION

50mm Suspension lift and installation  
Pedders/OME front coil over and rear shock absorber 2" Lift  
Bump stop spacer front and rear

## AT35 BASE

**42,800 AED**

All Prices Are Subject To 5% VAT

## AT35 OPTIONS

Black Edition	6,800 AED
Hood Scoop Body Colour	2,390 AED
AT Front and Rear Skid Plate	6,150 AED
Dual inboard compressor with Pressure Perfect Control	4,600 AED
ARB Front and rear Diff Lockers	12,300 AED
OME BP-51 Suspension system	11,200 AED
Lower geared Differentials	12,000 AED
Additional Wheel and Tyre	2,330 AED
Mud Flaps	6 00 AED

All Prices Are Subject To 5% VAT
